

COOPERS ROCK STATE FOREST
FORKS OF SCOTT RUN - PISGAH PROJECT TOUR
PRESCRIPTION FOR MULTIPLE USE MANAGEMENT

DRAFT

PRESENTED BY

WEST VIRGINIA DIVISION OF FORESTRY
AUGUST 16, 2014

WV Division of Forestry is mandated by WV Code §20-3-2 to manage the state forests for "silviculture and scientific research, developed and undeveloped outdoor recreation; propagation of forest trees, fish and wildlife; wildlife and fisheries management; aesthetic preservation; hunting and fishing; timber production; and demonstration of state-of-the-art forestry [sic] management and therefore should be managed on a multiple-use basis." This is accomplished through agreement and coordination with other agencies having recreation and wildlife responsibilities and through diverse-use management of the area by Division of Forestry personnel.
