### **State Tree Nursery Selling Seedlings Online**

West Columbia, W.Va. – Tree seedlings can now be purchased from Clements State Tree Nursery online.

Various species of pine, oak, dogwood and hickory are available as well as sugar maple and Douglas fir. Prices range from \$.15 per tree to \$1 per tree, depending on the number of seedlings ordered. There is a 20 percent discount offered on orders of 5,000 or more.

Seedlings can be planted for timber, future Christmas trees, to improve habitat for wildlife, control erosion and improve the environment.

Orders can be made online at [www.wvcommerce.org/ClementsNursery](http://www.wvcommerce.org/ClementsNursery) 24 hours a day, seven days a week. However, seedlings may not be shipped immediately due to timelines for harvesting. Order forms can also be printed from the website and mailed to Clements State Tree Nursery, 624 Forestry Drive, West Columbia, WV 25287.

Forms also are available at the Division of Forestry's regional offices in Farmington, Romney, Beckley, Parkersburg and Milton. Orders are taken by phone at 304-675-1820.

For more information or to order online, visit [www.wvcommerce.org/ClementsNursery](http://www.wvcommerce.org/ClementsNursery).
